thought leader, Erin Strayer combines over 30 years of cross platform experience into her current strategic growth consulting business.

Currently recovering corporate and entrepreneurs hire Erin to get them business beyond the basics because most are indecisive, held hostage by their own fear and honestly flat out complacent and settling for average. So she helps them move past the “I can’t do that”, “what’s the next step?” and “how in the world do I do that” that stands in the way of 99% of people. Bottom line, Erin provides executive level accountability so that you and your business get the attention to detail they deserve and you start excelling in your business making money.
